Join us this summer for...

Summer Academy

Where academics meets adventure!

Let's face it - summer can be tough. With the changes in routine and being away from the academic environment, a lot of children experience anxiety and skills regression during the summer months.

That's why we created the **Summer Academy** by Academy Schools! Students have the opportunity to explore, discover, and delight while still maintaining those hard-earned skills! All sessions are run by Academy Schools educators!

Five amazing sessions will be offered in Summer 2014:

- Session 1: June 23-27
- Session 2: July 7-11
- Session 3: July 14-18
- Session 4: July 21-25
- Session 5: July 28 - Aug 1

Q: *Are siblings and community kids welcome too?*

A: You bet! We welcome everyone at Summer Academy!

For more information or to enroll, please contact Sandy Hergert at 206.588.0860 or adminstration@academyschools.org.
